28 April 2023

Dear Mr Lino Strangis,

As India holds the Presidency of G20 for 2023, it will host the eighteenth G20 Summit. Established in 2010, B20 is among the most prominent Engagement Groups of G20, representing the priorities of businesses globally. Over the years, B20 has gained more strength and visibility. The incumbent Presidency considers all the policy recommendations of B20 with utmost sincerity.

During the year, CII as the B20 India Secretariat is hosting a series of discussions and events, across India, covering the identified industry priorities, with the aim to realize the B20 strategic vision and translating it into concrete and actionable policy recommendations.

B20 India will culminate with the B20 India Summit 2023 to be held from 25-27 August 2023 at New Delhi. The Summit will convene over 2000 global and Indian leaders and would be a meeting ground of minds to deliberate on the partnerships and synergies that will ignite the next phase of growth through global collaborations.

We are writing to request BACK 2 BUSINESS INTERNATIONAL LTD help us to garner overseas business delegations to India during the year of 2023, that align with the B20 priority sectors till 30 November 2023, subject to clearance from the Ministry of External Affairs, Government of India.

Thank you in advance for your cooperation.

Kind regards,

Yours Sincerely,

Neerja Bhatia
